In the Footsteps of **ASHKENAZ**

Journey Through Jewish History

July 13-21, 2016

- Join Torah in Motion as we travel in the footsteps of Rashi, the Tosafists, Rabbi Meir of Rothenburg, Rabbi Shimshon Raphael Hirsch and so many others who formed the rich history of Ashkenazic Jewry.
- This unique and intellectually inspiring trip designed by Dr. Marc Shapiro will visit Berlin, Erfurt, Friedberg, Frankfurt, Mainz, Worms, and Michelstadt.
- This trip promises to be an unforgettable experience, with a focus on places of Jewish interest.

Although the Holocaust is obviously a central feature of twentieth-century German Jewish history, the tour focuses on the history of Jews in Germany from its origins until the present day, both the tragedies and the triumphs. A central feature of the tour will be Dr. Shapiro's expert discussions of the many places we will visit, making the trip nothing less than a travelling classroom. In addition, we will be joined by expert local guides who will provide their own angle.

Marc B. Shapiro holds the Weinberg Chair in Judaic Studies at the University of Scranton. He received his BA from Brandeis University, his Ph.D from Harvard University and is one of the Jewish world's most popular writers and speakers.
